

Australian Association of Clinical Hypnotherapy & Psychotherapy Inc

AACHP Inc. A0036986V

Membership Application & Renewal Form

July 1st 2026 to June 30th 2027

Membership Categories & Criteria: Minimum Standards of Clinical Hypnotherapy Education

Minimum Standards of Clinical Hypnotherapy Education

Applications for membership to the AACHP are welcomed from graduates and students of Diploma courses which have been accredited by the appropriate state education and vocational authority and meet Nationally Recognised Training standards or alternatively of professional training courses that meet the AACHP minimum standards as outlined below.

Certified Membership is offered to applicants who are of good character and are able to provide verifiable evidence of successful completion of the equivalent of at least 1000 nominal hours of education and training comprising theory and practice of the clinical applications of hypnosis and hypnotherapy via classroom teaching, self-study, written assignments, case studies, practical and written tests and supervised practice and which covers but may not be limited to the following core components:

- The history, principles and development of hypnosis & clinical hypnotherapy
- The main theories of psychology e.g. psychodynamic, humanistic, cognitive and behavioural
- Concepts of and factors in health, effective functioning and well-being
- Interview & Assessment techniques
- Communication & Counselling techniques
- Clinical hypnotherapy intervention methods & techniques
- Contraindications
- Principles of professional and ethical practice management

Certified members who have been in practice for a minimum of 12 months and meet all the criteria for practising membership of the AACHP may apply for Professional Clinical Membership.

Recognition of Prior Learning may be granted in cases where an applicant's formal training may fall short of the criteria as outlined above and/or the credentials of the applicant's training provider cannot be adequately verified. In addition to completing the membership application forms and providing all relevant documents pertaining to their education in clinical hypnotherapy, an individual's application for membership which includes a request for RPL may be assessed in one or more of the following additional ways: professional references, detailed case studies and written and practical tests. This thorough process ensures the professional integrity of both the applicant and the AACHP.

Associate Membership is available to applicants who are of good character, who are engaged in the study of clinical hypnotherapy or who wish to avail themselves of the benefits of non-practising membership of the Australian Association of Clinical Hypnotherapy & Psychotherapy.
